

The packages are just a few of our most popular menus but not limited to what we have to offer.

*We welcome you to Solea to sample all our foods and make your selection for your next get together.*

The menus are just our suggestions and you may change or add to any menu as you wish.

If there is a dish on our dining room menu you wish to serve your guests, we will be more than happy to add it to your catering menu. We are flexible with the menu and also with your budget. Feel free to be creative!

Solea Mexican Grill can cater your event in full services or drop off arrangements to you.

Contact us today and we will be happy to discuss your event plans and hopefully confirm your catering event

Soon.
